£26.95 PER CHILD

SHOOTING GALLERY

Fancy introducing a bit of competition to your visit. How about a go on our 'Gellyball' Shooting Gallery.

Suitable for children 5+ Gellyballs are similar to paintballs but much safer. Shoot at light up targets and try to amass the highest score.

A shooting gallery experience can be added to your booking for an additional £2 per child.

EXTRA ACTIVITY: CLIMBING WALL

Looking for something different at your party? How about a Climbing Wall experience?

Suitable for children 6+ climbing walls are a great way to build confidence, build communication and develop motor skill (not to mention just being all round good fun).

A climbing wall experience can be added to your booking for an additional £5 per child.

This activity is very popular so please book in advance to avoid disappointment. This activity may run outside of your party times (meaning you may have to start earlier or finish later – we will advise of this when booking).

EXTRA ACTIVITY: PRINCESS MEET AND GREET

All kids love Princesses! Invite one along to your party for a meet and greet session. All our princesses are theatre trained with high quality outfits and endeavour to make sure kids have a magical time!

Add a Princess Meet and Greet to your booking for an additional £100 per party.

Our Princesses are provided by an external company, their availability can fluctuate so please request this when making your initial booking so we can check. This activity may run outside of your party times (meaning you may have to start earlier or finish later – we will advise of this when booking).

FREQUENTLY ASKED QUESTIONS

What time does the Birthday Party run?

12pm. However, admission is included for the whole day (10am to 5pm).

What are the minimum and maximum party sizes?

The minimum party size is 8 children and maximum is 25. We only charge for those who attend (down to a minimum of 8 children) meaning you won't have to foot the bill for 'no-shows'.

What age ranges do you allow?

We run birthday parties for ages 2+ but we recommend them for children 4-10.

When do you require food choices?

We ask for food choices 2 days before the party.

Can we provide our own entertainers?

For health and safety (& insurance) reasons, we do not allow outside entertainers.

1 of my party has an allergy/special dietary requirement can you amend the menu?

Due to our kitchen setup we cannot guarantee that there will not be trace elements of any particular ingredient. Therefore we advise any children with special requirements to bring their own food and we will discount £3 from that child's ticket.

Anything else I should know?

Yes, we are a primarily outdoor attraction and our birthday parties are set up to make the most of the outdoors. Therefore in winter and rainy weather it can be cold and wet. We advise asking guests to wear warm clothes and wellies.

What price are additional adults?

Additional adults are at our normal admission rates.
